

ENDSLEIGH HOLY CHILD

VC ACADEMY

Information for F2 parents

Dear parents,

Thank you for your participation and support throughout the first half of the Spring Term. We have had some great engagement from the children learning remotely and it has been wonderful to see all of the work produced at home.

We would like to let you know about an exciting change happening with our remote learning after the half term break. All home learning tasks will be posted on the '**F2 Be Fo' Google Classroom**, rather than on Tapestry. All of our children have a log in for the Google Classroom, and many of you are already using this platform to engage with the daily Google Meets. If your child has a sibling in the school, you will now only have one learning platform to manage for home learning. If you have any difficulty with logging in to the Google Classroom, please contact the school office.

Children who are attending school will continue to have observations posted to Tapestry, for parents to keep up-to-date with their learning journeys.

There is no expectation for children who attend school full time to complete work set remotely; however, children should be completing home learning tasks on the days where they do not attend school. Children attending school will be accessing the same tasks as those set remotely. Completing the home learning tasks will give your child a good chance of easing the transition back to school once we are fully open and able to welcome everyone back.

We hope you have a lovely half term holiday and we look forward to seeing the children's efforts on Google Classroom from Monday 22nd February.

Yours sincerely,
Miss Beavis
