

ENDSLEIGH HOLY CHILD

VC ACADEMY

Dear Parents/Carers,

Tomorrow, the form which must be completed for your child to access provision at Endsleigh Holy Child will be put onto the website. The form will ask for the dates which you need your children to be in for the next **two weeks**. Can I please remind you that the places in school are for children of Critical Workers only.

As you are aware from prior communications, the demand for places has been higher than we first anticipated and in order to keep our bubbles at a safe number, we are reaching capacity. We **must** limit the number of staff and children in school in order to minimise the risk to all members of our school community: children, parents and staff. The more children we have in school, the more likely we are to have bubble closures.

There is no expectation for children of critical workers to be in school full time. Indeed, if there is adequate child care at home – an older sibling, a break in shift patterns etc, then government guidance is that the children should stay at home where it is safer.

If parents are working from home and are able to have children with them then again this is what should be happening.

Unlike the first lockdown, it is possible to have a childcare bubble and so we would ask that before you book places for your children, that you exhaust all other possibilities for their care. We are an emergency provision only.

Thank you for your support in keeping our school as safe as we can.

Take care and God Bless

The Endsleigh Team
