## WE ARE SO PROUD

It's hard to believe that we have come to the end of the 3<sup>rd</sup> week of this half term. We have been utterly amazed by the hard work and dedication of all of our children in accessing their lessons, whether at school or at home. It has been a challenging time for everyone but your support has been invaluable.

We do not underestimate the difficulties that you may be facing and we are here to help in any way we can. Please do not hesitate to contact us.

Keep safe and God Bless

### PLACES FOR CHILDREN OF KEY WORKERS

The link for the form to request places in school for the weeks beginning the 1<sup>st</sup> and 8<sup>th</sup> of February will be sent this Monday at 8am and will close at 8pm.

Please can you consider very carefully whether you need a place in school. If you are working from home or there is someone who can care for your child, then we ask that you do not take a space. We are very close to, or at, capacity in all of our bubbles. To increase the size, puts all of our community, pupils, parents and teachers, at greater risk.

If you could reduce the numbers of days your child is in school, this would also help us greatly.

We know how hard it is to home educate but we are to used only if you have no alternative. Thank you to everyone who has supported us in this.

### ONLINE LEARNING:

### WOW!!

We have been so impressed by the number of children who have accessed work on Google Classroom (Y1 – Y6) and Tapestry in EYFS. We love seeing what has been done and seeing all those faces on our Google Meets is a joy.

The work posted online is the same as that which is being taught in school so it is important that if possible, these are the activities that are completed.

Please encourage your children to complete work to the best of their ability. Check timetables on Google Classroom or Tapestry to see how long they should be spending on a task.

Don't forget to watch our virtual assembly to see and hear about some of the amazing learning.

### PHONE CALLS

Our staff are working really hard to stay in touch with all of our families. I'm sure you appreciate how time consuming this is. To help us, could you please contact the office if a message is left on your voicemail.

We have a duty of care to ensure everyone is well and learning, so will continue to ring or where necessary visit.

### DATA FOR REMOTE LEARNING:

We have a small number of sim cards which can be used to enable 30GB of free data to access remote learning.

If this would help you, please contact the office.

## RAISING FUNDS TO SUPPORT OUR ONLINE LEARNING.

Children in school have been decorating pots. They will be available for parents to buy for the incredible price of just £1.

More information to follow.

## REMINDER:

*Relax*

If you find that work gets a little too challenging, STOP!

Play a game, go for a walk, bake a cake, watch a film, read a book, have a dance or nap. As we all find our way through these unpredictable times, looking after the work is indeed important, but looking after ourselves and our families is even more important. Be kind to yourselves!

## FIRST HOLY COMMUNION:

If there are any children in year 3 or above who would like to make their First Holy Communion this year, please contact Fr William at Our Lady of Lourdes and St Peter Chanel for further information.
