

WOW! JUST WOW!

It has been quite the week at Endsleigh with lots of moments that have made me incredibly proud of our fantastic children and amazing staff. Every day brings something to make me smile and this week has been so special in lots of ways. I can't quite believe we only have one week left before we break up for Christmas. It's going to be a busy one!

Have a lovely weekend everyone.

NATIVITIES

KS1 took to the stage on Tuesday and Wednesday to wow the audience with their wonderful performance: Off to Bethlehem. They sang their hearts out and I am sure we'll see some of them in the West End if not Broadway in years to come.

On Thursday it was the turn of foundation stage who put on an incredible performance of Wiggly Nativity. It was an absolute joy to watch and one where the odd tissue was needed.

It never ceases to amaze me when I see the magic that happens on the stage at Christmas. I think the KS1 and EYFS staff will be having a well-deserved lie down this weekend! Thank you for helping our children to shine.

We raised £195 with our raffle and this will be used to buy party food for the children next week. Thank you for your generosity.

BRITISH COUNCIL ART PROJECT

This week, class 3 and class 6 started work on our art project which focuses on climate change. It was fantastic to see pictures from our Freetown partners and to read this great Tweet recognising the work that we are doing. We are looking forward to sharing our art work with you in the New Year - Endsleigh gallery style!

CERTIFIED STATUS

This week, we were awarded National Online Safety certified school status. It shows our commitment to keeping our children safe online.

As we have shared before, there are online courses and information for parents so if you would like to join, please follow the link below.

CHRISTMAS CRAFTS

The children have been working really hard to produce some beautiful Christmas crafts which we had hoped to sell at an enterprise fayre which the school council requested. However, due to the current restrictions, we are unable to invite you in.

Not to be totally deterred, and to avoid the wrath of the school council, we will still be holding a mini fayre but outside.

Each class will have a little stall on the playground on Tuesday from 3pm. Please support the children's efforts.

HATS FOR SEAFARERS

Thank you for the donations we have already received for the seafarers. Please could we have any more contributions on Monday. We are collecting men's toiletries, sweets, notebooks and pens, socks and gloves.

Thank you

CHRISTMAS JUMPERS

The children looked very festive in their Christmas jumpers today. We are waiting until Monday to count up our final amount and we will let you know our total.

The money will be sent to Missio to support children in other countries.

Thank you

TRUCKING ALONG

Our school visit to Hull Truck was a great success.

The children (and staff) really enjoyed the performance of The Railway Children and, as you would expect, behaved beautifully. We had a number of comments from the staff and some other members of the audience saying just how impressed they were by our children and what a credit they are to our school.

We couldn't agree more!

Go Endsleigh,

SEND SUPPORT

For any issues regarding SEN, please arrange through the office to speak to Mr Fox.

Please see the link below which details all of the SEND support services available in Hull.
