

Well done to everyone for another super week at Endsleigh Holy Child. We've had deckie learners, global scholars, eco warriors and so much more. This afternoon, two of our classes visited the ballet so we are looking forward to hearing all about that. Have a wonderful weekend and we will see you on Monday.

ATTENDANCE AND PUNCTUALITY

Our attendance last week was 96%.

It is really important that your child/ren are in school as missing just a day's learning can make a difference.

Please also remember how important it is for children to be on time. Missing the start of the school day can have a real impact on children's learning. In KS1, our day begins with phonics which is such a vital part of children's learning. In KS2, we build on those early reading skills and again, it is a core part of the children's day.

Missed minutes add up quickly.

Lateness = lost learning

(Figures below are calculated over a school year)

5 minutes late each day	3 days lost!
10 minutes late each day	6.5 days lost!
15 minutes late each day	10 days lost!
20 minutes late each day	13 days lost!
30 minutes late each day	19 days lost!

PARENTS' EVENING

We are very much looking forward to seeing parents next week and sharing news of how the children have settled back in.

If you would prefer a telephone call, please let us know and we will ensure that this takes place.
