

## HOW EXCITING!

We were all very excited to hear that everyone will be coming back to school on the 8<sup>th</sup> March. We have missed you all so much and can't wait to see all your smiling faces again.

In order to make our return to school as safe as we can, we will be sending out information next week with further details. A really huge thank you for all the positive comments which were sent in response to our parental survey. They absolutely made our day.

Keep safe and God Bless

### LENT

This week in school and hopefully at home, we have begun our Lenten preparations. Each day, we have a new prayer intention and an act of kindness to carry out. These are to help us all become closer to God. Please ask your children who they have prayed for and who has received their kindness.

We also had the opportunity to join our Trust schools for mass. Thank you to Fr Peter and our chaplaincy team.

### OUR LENTEN MISSION

### ONLINE LEARNING:

#### KEEP GOING!!

It's been a lot of hard work for you all at home and we have been really proud of you for turning in your work BUT don't stop now. We haven't seen quite as much work but we only have one week left so do as much as you can so that you are ready for back to school.

There has been some amazing work this week so a big well done to all of our superstars

Don't forget to watch our virtual assembly to see and hear about some of the fantastic learning that has taken place this week.

### BREAKFAST CLUB

Initially, places will only be available for the children of critical workers. If you wish your child to attend breakfast club, please ensure you complete the form: a link has been sent to you. Payment must be paid before attending.

We have a limited number of places and therefore we ask that you only take a place if it is absolutely necessary. We need to reduce number of children from different bubbles being in the same space as much as possible.

## A SPECIAL ACT OF KINDNESS

We set our children a kindness challenge to ...

One of our children has gone a step further and created her jar. If you have any spare change and would like to donate it to Holly's fantastic giving jar, that would be wonderful.

## CONTACTS

If you need to contact school with regards to SEND, please ask for Mrs Ryan (SENDCo) or Mr Fox.

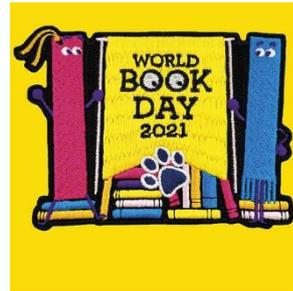

Any safeguarding issues or concerns should be passed on to Mrs Bentley (Deputy Safeguarding Lead)

Thank you

Find us on  
Facebook and  
Twitter

DON'T FORGET THAT THURSDAY 4<sup>TH</sup> MARCH IS ...

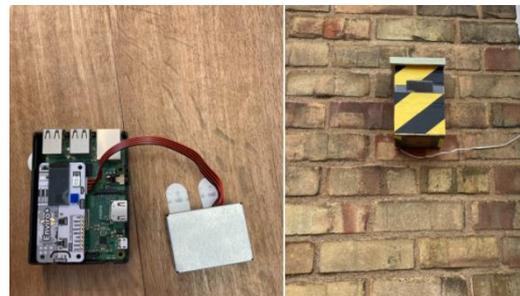

Please see the letter on our website (link below) for further information. We look forward to seeing which characters we might meet – either in school or virtually.

## CITIZEN SCIENTISTS

KS2 have started looking at air quality data with Raspberry Pi and have become citizen scientists by live streaming the data to Germany.

## THINKING AHEAD

When we return, we will be holding our annual Easter Egg raffle - £1 for a strip of tickets. Mrs Bentley has given up chocolate for Lent so is buying LOTS of tickets so she has plenty of chocolate for Easter Sunday.

We are also going to have a decorate the egg competition so get your thinking caps on.

SEE YOU ALL SOON
