REFUGEE WEEK

Next week, it is National Refugee Week: a time when we think about people who have been forced to leave their homes. The children will be hearing from CAFOD about the affect climate change has on people during special online assemblies.

We will be holding a raffle in support of the work of Save the Children. Mrs Bentley's children are donating their Build-a-Bears (much to mum's distress) so they will be seeking new homes. They have been very well looked after and tickets will cost £1 a strip and go on sale from Monday.

If your child made their First Holy Communion last year or is making it this year, please inform the school office so that we can celebrate this special occasion with them.

SOME FANTASTIC WORK FROM CLASS 6 OVER THE HOLIDAYS: BOOK IN A BOX. SUCH AMAZING WORK CLASS 6 THAT EVEN THE AUTHORS WERE IMPRESSED!

BACK BY POPULAR DEMAND

Class 6 will be selling their wizarding merchandise on the playground on Thursday 17th June from 3.20pm. KS1 and EYFS will be prioritised this time so they can take away a little magic!

THE SUN IS OUT

It has been lovely outside at playtime and lunchtime but we want everyone to be safe in the sun.

- please remember to send your children with a cap or sunhat and sun cream
- ensure children have a water bottle

Thank you

Please see the information from Hull Culture and Leisure regarding online gaming.

To support the Get Safe Online Gaming4Good campaign in June, Hull Culture and Leisure are very excited to share details of a series of webinars that Get Safe Online are hosting for parents and guardians to highlight key issues surrounding gaming and how they can ensure their children are Gaming4Good.

Online gaming has seen a massive increase in popularity with children over the COVID-19 pandemic, as result of more time spent at home and restrictions on physical social contact. Your parenting community is very welcome to join one of our free Gaming4Good webinars where they can hear from a panel of experts in family gaming who will discuss psychology, gaming risk and finance, how to approach your child's gaming to help them get the most out of it... and avoid the pitfalls. There will also be a Q&A session.

**If you have a child aged 2-18,
please join one of our
Gaming4Good webinars.**
