IPC Report

Our IPC children, Lucca and Eloise, are focusing on how important recycling is to the planet and how we can educate others. They spent time at St Stephens looking at behind the scenes of the how they play their part to look after the planet. St Stephens recycle and re use in many different ways you wouldn't think of, we will be producing an information leaflet next term so watch out for it! They use the 3 Rs to help them to remember – Reduce, Re use and Recycle. Lucca and Eloise were helping the Hull University find out how good the people of Hulls knowledge recycling. We all had an amazing day, very interesting and great to meet the other IPC students.
