Endsleigh Holy Child NEWSLETTER

14th May 2021

SUCH A BUSY WEEK!

We have seen some fantastic work this week across our school: wonderful writers, marvellous mathematicians and amazing athletes to name just a few. We had more visitors this week and yesterday, they spent some time in our foundation stage and were so impressed by the hard work, co-operative play and learning that they saw. Our youngest children always make us so proud and it was lovely to share their smiles and enthusiasm for learning with other members of our Trust.

Have a lovely weekend. God bless. The Endsleigh Team.

STAY (AT HOME) AND PRAY:

Class 3 and Miss Beavis' foundation class have shared their worship with their families and have loved doing so.

Next Wednesday, at 1.15pm, Mr Fox and his class will be inviting parents and carers to join them. We hope to see you there.

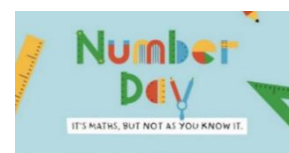

Please remember to look out for the Wednesday word which is shared each week on our Twitter.

NUMBER DAY

Thank you for your support last week with our number day. The children looked great in their digits outfits and had lots of active fun with maths. We also raised £*** for the NSPCC.

A HUGE well done to year 1 for winning the TT Rockstars battle. What an amazing achievement!

REGULAR READERS

Don't forget, your child should be reading regularly at home. We aim for five reads each week to be a 'Regular Reader'.

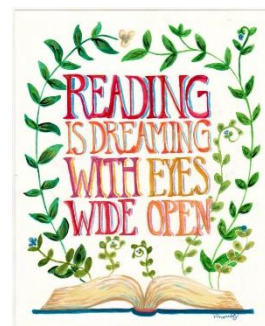

As stated at the beginning of the year, pupils will need 12 stickers from the Summer Term to earn an invitation to the treat.

5 reads in a week = 1 sticker

12 stickers in the Summer Term = an invitation to the Regular Readers Treat

Reads should be recorded clearly and signed in the child's reading record.

Unfortunately, due the national lockdown, we did not have a treat for the Spring Term, as we were unable to run the initiative fairly for all children as some were learning at home and some at school.

CLASS 6 AUTHOR VISITS (VIA ZOOM OF COURSE)

Class 6 were zoomed yesterday by author, Jack Noel. On the 26th May, Emer Stamp, author of Pests, will be talking to the children via Zoom. They will no doubt have lots of questions to ask. Who knows? We might have a future author in the making.

In RE, the children have been learning about the work of hospices and have chosen to donate some of their profits to charity - faith in action. Well done year 6.
