

## WELCOME BACK!

It has been so lovely to see all of our children back in school. We have had a jam-packed week and the children have settled quickly into their routines again.

This week has been all about the introductions to new topics which we hope you read about in our curriculum letters sent out at the end of last term.

Please can you ensure that children have their reading books in school each day.

Have a lovely weekend and we will see you all next week.

Keep safe and God Bless, The Endsleigh Team

### CURRICULUM HOOKS IN KS2

What an amazing first week back! On Monday, we were visited by the Ancient Egyptians who tasted foods from Egypt (olives not a favourite), made some incredible jewellery and mummified tomatoes! Meanwhile a couple of doors down, Class 5/6 were introduced to the Shang Dynasty through Mulan and fortune cookies!! There was some incredible architecture and team work taking place in class 4/5 as the amazing city of Baghdad grew before our very eyes whilst ammonites galore appeared in class 6 as they created their very own fossils.

It looks like next week is going to be very exciting in KS1. If we can't go to the seaside then the KS1 team will bring the seaside to us!! On Tuesday afternoon, they will be spending the afternoon on the school field taking part in a variety of role play activities re-enacting a typical Victorian seaside visit. This will include watching a Punch and Judy show and finishing the afternoon with an ice lolly. **Please ensure school are fully aware of all allergies your child might have.**

## KEEPING SAFE:

Like everyone, we are extremely pleased that the restrictions placed on us due to lockdown are easing now. However, this does mean that there is a greater chance of infections spreading if we are not mindful of our behaviour. This makes it even more important that we maintain the social distancing that we have at school. Families are gathering in significant numbers, particularly at the start of the school day. We ask that this does not happen. To try and reduce this, the gates will be open from 8.30am but children must line up and will be the responsibility of parents until 8.40am. This timing is only relevant to Class 5/6 and class 6 along with their siblings.

Please remember our routines for keeping our community as safe as we can.

- 1 parent/carer to drop off and pick up
- Arrive at the CORRECT time
- **No gathering outside the gate in the morning – please line up along the wall.**
- Collect children and leave the playground as quickly as possible
- Don't block the gate during collection times

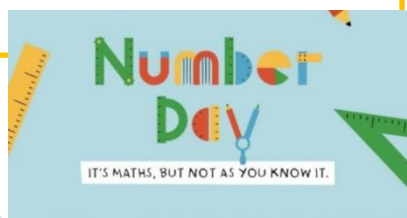

**PARKING:** Please do not block our neighbours' drives or park on double yellow lines. It is not safe for our children and is upsetting the community around us.

## UP-COMING DATES

21<sup>st</sup> April – Stay and Pray with Class 5/6 – a link will be sent so parents can join us.

28<sup>th</sup> April – Y6 Harry Potter Day

7<sup>th</sup> May – We will be taking part in Number Day to support the NSPCC

## BOOK AMNESTY

A plea from us please. We have a number of Read, Write Inc books that have gone missing making it very difficult for our children to have access to all the books they need. Could you please search bookshelves, cupboards, bedrooms and tables and return any books that you find?

We are really in need of them.

## LINKS TO NEWSLETTER

Please follow the link below if you would like to read about some of the work that is taking place around our diocese.
