

We've had sunshine, rain, and wind this week but whatever the weather, our children have worked hard and kept smiling. Have a lovely weekend.

A GOODBYE AND A WELCOME BACK

Today, we say goodbye to Miss Fenton as she begins her maternity leave. We all wish you a restful few weeks and can't wait to hear that your little one is here.

Thank you for all your hard work this year and we hope we will see you really soon.

And we are very excited that Miss Taylor will be returning and taking over the reins in class 1/2.

SPORTS DAYS

Next week, we will have our sports days. Unfortunately, we are not able to invite parents this year but keep your eyes on our Twitter feed for updates.

Please ensure that the children are ready for the event in their PE kit with sun cream, hat and water if the weather is hot.

KS2 sports - Monday afternoon

KS1 sports - Tuesday afternoon

EYFS - Wednesday (shorts, T-Shirt and suitable footwear.

YEAR 6

Mrs Stapleton has made sure that class 6 have had some amazing opportunities over the last few weeks with author visits, the Book Awards, Clowning about and Map of you. As expected, class 6 made quite the impression. Well done!

It was great to meet you this morning and see some of the fabulous work around reading that your class have been doing – really inspirational.

Thank you to class 4/5 for a wonderful Stay and Pray this week. Next week, we will be inviting parents to join class 3. Watch out for your invite.

Class 3/4 impressed Fr William with their wonderful behaviour at mass this morning. Children who have made their First Communion last year or this year will be attending mass next Friday at 9.30am.

A NEW HOME

Thank you so much to everyone who bought a ticket for our bears. They have found lovely new homes and we have raised £158 for charity.

And a huge thank you to year 6 for raising another fantastic £65 which they chose to donate to CAFOD following a virtual assembly in which the school learned about climate change.

TRANSITION

Although we still have a few weeks left in school, thoughts are turning to new classes and teachers.

Obviously, we have to work within our Covid guidelines and we will give you further information about how this will be managed next week along with your child's class teacher for September.

FIDGET TOYS

We ask that children do not bring fidget toys into school unless they have been given permission from their class teacher. They are causing a distraction in the classroom and some disagreements on the playground.

CONTACTS

If you need to contact school with regards to SEND, please ask for Mrs Ryan (SENDCo) or Mr Fox.

Any safeguarding issues or concerns should be passed on to Mrs Bentley (Safeguarding lead)

Thank you

SEND SUPPORT

Please see the link below which details all of the SEND support services available in Hull.
