

ENDSLEIGH HOLY CHILD

VC ACADEMY

Dear Parents & Carers,

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Our recent safeguarding questionnaire showed varying degrees of awareness that our children have towards online safety. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

Endsleigh Holy Child VC Academy is showing our commitment to protecting our pupils online by working with National Online Safety to provide resources for all parents and carers.

The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics which are all free to access.

To create your account, please follow <https://nationalonlinesafety.com/enrol/endsleigh-holy-child-vc-academy> and complete your details. When you're set up, you'll be able to set 'Parent/Carer' as your user type.
