Covid Outbreak Contingency Plan – Sept. 2021

<p>When should my child self-isolate or miss school?</p> 	 NO	<ul style="list-style-type: none"> • All children MUST attend school unless they are ill. • From 16th August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household, or a contact, has Covid. • Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.
	 YES	<ul style="list-style-type: none"> • If your child develops Covid symptoms at home, they should stay at home and should book a PCR, NOT a Lateral Flow test. • If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. • If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.

Community Covid Risk	Description	Actions
 <p>Low Community Transmission. No School Cases.</p>	<ul style="list-style-type: none"> • There have been no cases of Covid within school for 10 school days. • Cases of Covid locally are low and/or stable. • Hospitalisation/ Deaths due to Covid nationally are low. 	<p>No Covid measures are necessary beyond:</p> <ul style="list-style-type: none"> • Reminding children of good hand-hygiene. • Ensuring good ventilation is encouraged where practical. • Ensuring Children and Staff stay at home if they have Covid Symptoms (and book a PCR test). <p>Staff will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<ul style="list-style-type: none"> • No current Covid cases have been recorded at school, but... • Cases of Covid are rising rapidly in the community causing disruption to other local schools. • Hull Public Health / Public Health England issue warnings of expected local/ national infection wave. 	<ul style="list-style-type: none"> • Ventilation of classrooms increased & hand-washing supervised. • Large indoor public performance audience numbers reduced. • Staff-room capacity is reduced. • Whole-school assemblies are replaced with Key Stage assemblies. • Clinically Vulnerable staff meet with Line-Managers to review their individual risk assessment & discuss additional protection (e.g. use of face coverings, reduction in movement between classes/ groups).

Community Covid Risk	Description	Actions
 <p>A single child tests Positive</p>	<ul style="list-style-type: none"> A single child tests positive for Covid in a class. There are fewer than 5 cases in the year group. No other year groups are affected. 	<ul style="list-style-type: none"> The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it as outlined in our remote learning offer on the school's website. Endsleigh-Holy-Child-VC-Academy-Remote-learning.pdf (ehcull.org) The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts. Likely contacts will be contacted by NHS Track & Trace and advised to book a PCR Test. The school will contact parents to advise this if close contacts are known. Children do not need to miss school or self-isolate whilst they wait for the result of the PRC test unless they have Covid Symptoms.
 <p>5 children or staff within a year group test positive within 10 days of each other.</p> <p><u>OR</u></p> <p>3 children or staff in a single Class/ Club within 10 days.</p>	<ul style="list-style-type: none"> There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children. 	<ul style="list-style-type: none"> As above for each positive case. The school will discuss the outbreak with Hull Public Health and agree strengthening protective measures <u>for 10 school days</u>, including: <ul style="list-style-type: none"> Re-introducing staff face masks for corridors & communal areas. Adapting, Limiting or postponing indoor sporting events, trips, open days and performances. Reverting to video-link Assemblies in classrooms. Reducing the amount of classes staff work across. Resuming twice-weekly Staff Lateral flow testing.
 <p>Covid cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> Despite the measures indicated above, Covid cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school. 	<ul style="list-style-type: none"> Discussion held between the school, Trust and Hull Public Health to agree further measures, <u>for a further 10 school days</u>, including: <ul style="list-style-type: none"> Re-introducing class bubbles. Reverting to class-based school lunches. Limiting all non-essential visitors to school. Postponing all non-essential events. Re-introducing remote learning for individual classes for 10 school days considered.

The Trust and individual schools will inform parents of any changes to Covid measures should these be needed.
