Year 6 Residential

Thank you to all for who have paid in full and in part. We will be sharing a date next week for a parent information meeting to give all of the details regarding the trip such as food menus and activities.

Stay & Pray

We look forward to welcoming family of Class 1 on Wednesday afternoon to join the pupils in their weekly liturgy.

EYFS Open Evening

Huge thank you to all of the parents who turned up this evening to look at our unit. We want all to feel part of the children's learning experience.

Living Wall

We are aiming to create a living wall on one section of our exterior wall on the playground. If you have any wood for planters or the skill to create one (perhaps with pupils help), please do get in touch with our office. Thank you to those who have offered plants for us already.

Eden Camp

We have enjoyed a brilliant day at Eden Camp with our UKS2 pupils. All pupils were able to answer their questions as they travelled around the huts, exploring all areas of the war. Well done to all. This trip will link directly with their current history learning.

It is always great to have these experiences linked with the learning journey and we look forward to many more across the year groups throughout this school year.

Mass

Our first whole school mass of the year will be on 16th October at 9:30am at Marist Church. As always, all of the school community are welcome to join us and take part in this important worship.
