# Endsleigh Holy Child

# NEWSLETTER

29th January 2021

## GO TEAM ENDSLEIGH

Another week and another very impressed staff at Endsleigh Holy Child. Our children, both in school and at home, continue to make us smile with their determination, resilience and hard work. We have loved the work, videos and pictures that have been sent in showing us what you have been doing.

Thank you so very much for your support; it is really appreciated.

Keep safe and God Bless

### SUPPORTING HOME LEARNING

Next week, there will be an opportunity to join a webinar to find out more about our Google Classroom. Together, we can work together to support our children in their home learning.

## A Parent's Guide to Google Classroom Free Webinar

#### What's covered:

- ✔ What is Google Classroom?
- ✔ Why use Google Classroom?
- ✔ How to view the stream
- ✔ How to view assignments
- ✔ Completing work and responding to feedback
- ✔ Joining Google Meet for live lessons
- ✔ Considerations when using mobile or tablet devices
- ✔ Where to get support

### ONLINE LEARNING:

#### WOW!!

Well done to everyone for their super hard work this week. Last week we chose our stars of the week and it was such a challenge for the teachers because we know you are all stars.

We have seen excellent English, marvellous maths, stunning science and amazing art this week amongst other fantastic learning. We have seen more children engaging in their home learning than previously which is amazing.

You never fail to amaze us Endsleigh Holy Child.

Don't forget to watch our virtual assembly to see and hear about some of the fantastic learning that has taken place this week.

### KEEPING IN TOUCH

It is really important to us to keep in touch with families if children are not in school.

We are checking that everything is going well with home learning and if there is anything we can do to support you.

However, please don't wait for a phone call if you have any questions or worries. Contact us as soon as possible so that we can work out how best to help.

Please log in at least 10 minutes before the event's start time.

**29th January @ 6:30 PM**

**Let's Localise**  
Bringing Schools and Local Communities Closer

## **NO SCREEN FRIDAY:**

On Friday, next week and the following week, we are going to have a no screen afternoon.

The work for the afternoon won't involve lap tops or tablets! We will post some different ideas for the afternoon and look forward to seeing what you get up to. The most important thing is to enjoy!

" Sometimes your mind plays tricks on you. It can tell you you're no good, that it's all hopeless. But remember this; you are loved,

and important, and you bring to this world things no one else can. So hold on "

## **AND FINALLY:**

Please remember that if you feel like your family needs a break, take one. We understand the pressures of home learning and recognise that sometimes, doing something different is exactly what is needed. So bake, sleep, chat, play, watch TV or read. Do whatever makes you smile!

## **DATA FOR REMOTE LEARNING:**

We have a small number of sim cards which can be used to enable 30GB of free data to access remote learning.

If this would help you, please contact the office.
