Parents/Carers

The Learning Environment

As a Parent/Carer I will:

- make sure my child arrives at school by 8:50am prepared to start their lessons in order to help them gain the most of their education.
- Ensure that my child will be wearing named school uniform or other suitable clothing. They will also bring into school their PE kit on PE days and swimming kit for swimming lessons.
- Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.
- Ensure my child completes homework to the best of their ability.

A Healthy, Happy Community

As a Parent / Carer I will:

- Inform the school before 8.50am if my child will be absent for any reason.
- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, as this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Attend meetings with my child's teacher and other staff, aiming to be positive and productive, working towards moving my child on in their learning and overall development.
- Support and work with you to ensure that the behaviour management policies of the school are maintained, particularly with my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you as it is much healthier to work out solutions and move on.
- Demonstrate that **all** members of the school community should be treated with tolerance and respect and therefore set a good example in my own speech, conduct and behaviour.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.
